Weekly Bulletin

Autumn Term 2025, Week 3

Curriculum Meetings - Thank you to those parents who have attended one of Curriculum Meetings this week. We have held them for all of KS2 (Y3 - Y6). The staff team put a lot of effort into the meetings so it is very much appreciated if they are well attended. Next week we will be holding them for YR, Y1 and Y2. All meetings start at 8.50am in the Hall - please access the school site straight after drop-off.

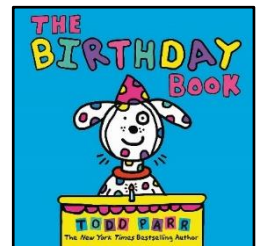

PTA - It was so lovely to see the positive turnout at the PTA AGM earlier this week. Thank you to everyone who gave up their time to support the school. We now have a new committee: Chair - Ali Collins, Secretary - Sarah Hopewell and Treasurer - Sarah Young. In addition to the core team, an additional 18 people have committed to being a part of the wider PTA committee; this is fantastic. To echo the email that went out yesterday, a huge thank you to Liz Hudson, Ash Curran & Diana Sankey for all that they have done for the PTA and the school over the last few years.

Morning Drop-Off - This can be a very busy time at both gates. In order to help us, please can we ask that once you have dropped your child off, please can you move away from the gates, clearing the area for the next set of parents. This is especially important at the gate by the Nursery, as this is where we are welcoming in our youngest children each morning. Also, please be mindful of blocking the entrance with buggies, prams and bikes - this makes it very difficult for staff to have clear sight lines and be able to help the children.

Golden Wellies Award - Congratulations this week goes to Arlo in YR London class, who created the most amazing lego boat at the construction station. All of the staff on duty were so impressed by his absolute commitment and creativity. Well done Arlo!

Birthday Books - A great way of supporting our reading resources in school is by buying a '[Birthday Book](#)' when it's your child's birthday. This is a completely optional idea, but is something we hope families may wish to consider supporting instead of sending sweets into school. However, please understand that there is no requirement to send anything into school when it's your child's birthday. As the book/s arrives in school, it is labelled up with a special bookplate and presented back to your child in assembly. They are then able to take it back to their classroom book corner to share with their friends.
