An overview of all Christmas dates is being sent home today - please check this to make sure you haven't missed anything (Christmas lunch, Christmas jumper day, post box, PTA shopping room, etc.)

Roblox Warning - We have been made aware of a pop-up that is appearing on Roblox, encouraging children to download an app called pollybuzz (or pollyfuzz in some spelling cases). The app seems quite simple, where children are asked questions, and it generates an Artificial Intelligence 'friend'. This starts off quite innocently, but then begins to show extreme content (including suicide, self-harm and pornography).

Please remind your child that it's not safe to click on pop-ups in games and to report anything that is worrying or inappropriate to a trusted adult. Roblox has parental controls available and instructions for activating these can be accessed [here](#). Parental controls will stop some pop-ups, but not all, so please note, appropriate supervision is still required.

Jam Coding Club - A special mention to Hugo, Claire and Arya who all took part in a Jam Coding competition outside of school last week. They have been awarded the 'Special Surprise Community Choice Award' - apparently the 3 of them absolutely blew the organisers away! As a prize, the 3 children have each won a free, full term at Jam Coding after-school club. Amazing - well done to you all!

Golden Wellies Award - Congratulations this week go to Leora in Y5 Cardiff class; she was very patient and kind, helping a younger child down out of the tree. She demonstrated all the school values - well done Leora!
