Weekly Bulletin

Autumn Term 2025, Week 14

Y4 Egham Brass Band - Very well done to our Y4 children who performed alongside other local schools, with Egham Brass Band, at St. John's Church on Monday evening. The concert was the annual school brass band performance and was a great opportunity for the children to perform as part of a mass ensemble. The children were amazing and it is incredible to think that they've only been learning to play the cornet for less than 12 weeks.

Learning the cornet is an important part of our music curriculum. We have partnered with [Egham Brass Band](#), who come into school each week to deliver music lessons to the Y4 children. Each child is loaned their own cornet for the year, which they use for the lessons in school and then take home each week to practise with. We're incredibly grateful to the Brass Band for the opportunities that have been created for our children.

KS1 Christmas Play - We really hope our Y1 and Y2 parents enjoyed this year's performance of 'The Fleece Force'. The children (and staff team!) have been working incredibly hard over the last few weeks to learn lines, practise songs and actions, remember stage directions, and put it altogether into a fantastic show. It's always amazing how 120 children can come together and light up the hall - well done to everyone involved! Our collection buckets raised approx. £120 - thank you for this. We will put the money towards the cost of the performance licence and the resources that we purchased.

Christmas Lunch - Yesterday was our Christmas lunch. A huge thank you to Cathy (our caterer) and her team. Together they cooked over 330 lunches - incredible! A thank you to the PTA as well, who provided all the crackers for the children - there were lots of bad jokes being shared around the tables!

Birthday Books - Thank you to everyone who has sent a birthday book into school recently. We have received some lovely books which we're very grateful for. If this is something that you would like to support next term, then the year group lists are available [here](#).

Golden Wellies Award - Congratulations this week go to Kehlani and Daniel in Y2. We have an outdoor radio that the children can use during lunchtimes and yesterday both of these children chose to retune the radio to Classic FM (which was a big hit with the staff!), and use the music as a background for performing on the stage. Great creativity - well done!
