

## What will you choose to do?

- Visit the beach or look at photographs of days out at the beach. Talk about the activities you enjoy when you visit the beach. Draw a picture and write a sentence or two about the beach.
- Visit the beach to observe the animals that live on the seashore and in rock pools. Did you see these animals?

anemone

barnacle

crab

gull

limpet

mussel

seaweed

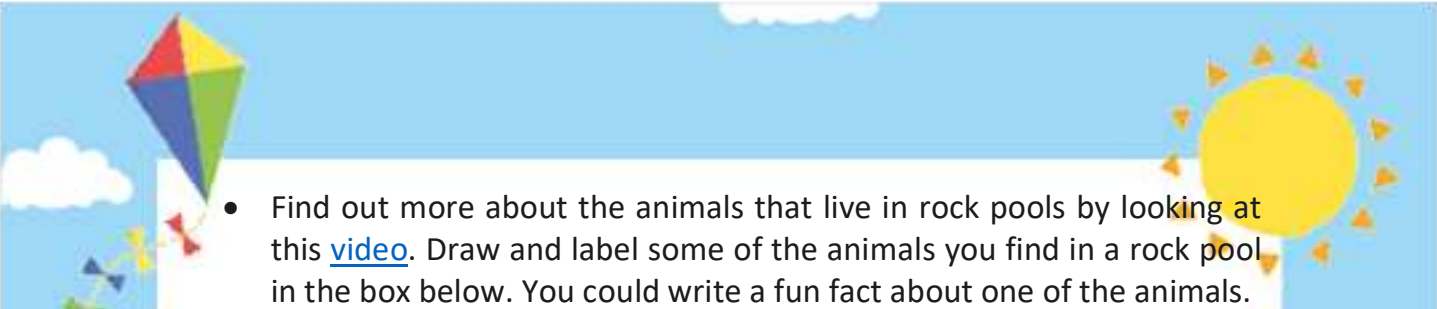

shrimp

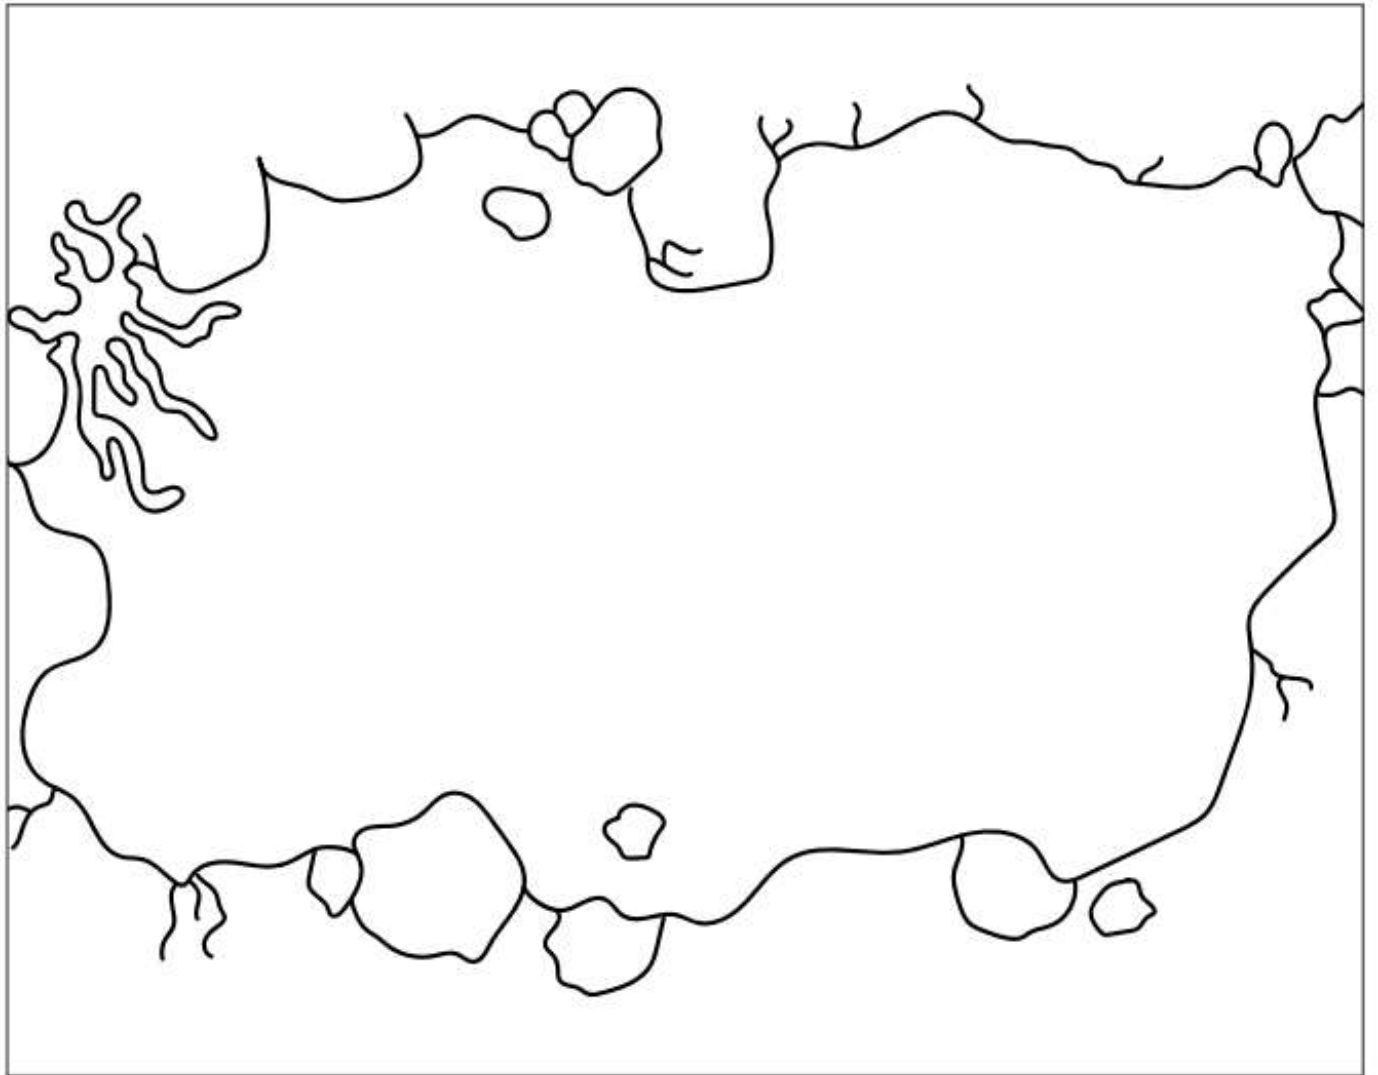

starfish

- What do you need to do to be safe at the beach? What do you need to bring with you to have fun and be safe? Draw and label the things you need to take to the beach.
- Create a beach picture using a range of media – you can draw, paint, colour, collage etc.

- 
- Find out more about the animals that live in rock pools by looking at this [video](#). Draw and label some of the animals you find in a rock pool in the box below. You could write a fun fact about one of the animals.

- The oceans contain some of the largest animals on the planet. Use a tablet or a computer to take a look at these amazing animals. Choose one animal and find out three fantastic facts to share.

**blue whale**  
**giant squid**

**ocean sunfish**  
**manta ray**

**whale shark**  
**coconut crab**

**giant Pacific octopus**  
**great white shark**
