Weekly Bulletin

Autumn Term 2026, Week 4

Quad Kids - Some of our Y5/Y6 children took part in the first sporting event of the year yesterday - the Quad Kids competition held at the Walton Xcel centre. As a team of 10 athletes, they all competed in the 75m sprint, 600m run, vortex throw, standing long jump and the team relay. They had a brilliant day and were amazing ambassadors for Manorcroft. A huge thank you to Impact Athletic Club for hosting the event and Mrs Alden for taking the team.

Woodland Skills - This half term our Woodland Skills focus is all about fire lighting. Please see the letter that was sent home last week for full details and the dates for each class. Just a reminder that all children will need to come to school wearing warm, waterproof clothing when it is their turn, with their outdoor shoes/boots in a separate bag.

Clubs - All the Autumn Term clubs are now well underway. They are running for 10 weeks, 5 weeks either side of half term. There are still spaces available in some clubs, so if you're interested in signing your child up, then check the [information](#) and timetable on the school website. The children had an impressive judo demonstration in assembly today, so there may be some more interested children!

Swimming - Y6 have now started their swimming lessons at Egham Orbit. Over the course of the academic year, Y2, Y4 and Y6 all get the chance to take part in a set of 10 swimming lessons at a heavily discounted rate. We're incredibly lucky to have this opportunity in walking distance from the school and hope that all the children thoroughly enjoy the experience.

Open Mornings - Our first Open Morning for the 2027 intake is next week. If you are aware of any parent who may be considering Manorcroft for YR next September, then please encourage them to sign up online - there are only a few spaces left.
