Weekly Bulletin

Autumn Term 2026, Week 7

OPAL - We are an OPAL Platinum school! We are delighted to share that Manorcroft has achieved OPAL Platinum status, with a final audit score of 97%. This is a wonderful recognition of the play we offer every day, and we are very proud of everyone who made it happen.

Our children have fully embraced OPAL. They have shown creativity and kindness, and they are developing resilience and the ability to assess risk for themselves. We thank them for making play at Manorcroft so special. Our LSA team have completely embraced OPAL and the fact that we go outside in all kinds of weather! They support the children to manage risk and stay safe, and they help to tidy up and keep our site looking amazing. We thank them for their dedication. We are awarding the Golden Wellies award this week to our entire school community, for coming together so brilliantly!

Another thank you goes to our parent community for their generous donations; for joining us at Stay and Play sessions, and for staying so cheerful when children come home muddy! Special thanks to Sarah Young, our parent representative, who has given willingly of her own time. Also, a big thank you to our PTA for getting behind OPAL wholeheartedly and for fundraising for new play opportunities, most notably our new climbing equipment.

Finally, the biggest recognition needs to go to our lead staff members, who have led the project and driven the change - a huge thank you to Laura Tree-Patel and Lisa Kinnett! The award is a milestone, not the finish line. We still have lots of ideas to continue improving play at Manorcroft and we cannot wait to share them with you.

Hello Yellow - A big thank you to everyone who supported 'Hello Yellow' on Monday for World Mental Health Day. There were some amazing outfits across the school, ranging from subtle accessories, right through to full head to toe yellow! As a school community we have raised £225, which will go to the charity to support children and young people with mental health initiatives.

Performances - It has been lovely to welcome parents into school this week for a number of different performances. Y3 started on Tuesday with their Curriculum Exhibition based all around their work on 'Rocks, Relics & Rumbles', followed by Y5 leading the Harvest celebration yesterday morning and Y1 finishing the day with their Curriculum Exhibition. Well done to all the children and staff for their hard work, putting these events together.
